The image shows the homepage of the Rodin olio lusso website. At the top, there's a promotional banner for selecting complimentary samples at checkout. The main navigation bar includes links for Skincare, Makeup, Collections (which is underlined), Fragrance, Our Story, Stores, Offers, and Search. Below the navigation is a grid of five collection categories: Mermaid, Vanessa Traina, Holiday, Gifts, and Starter Sets, each with a small image. A large, faint watermark of the words "The luxury of Lavender" with a right-pointing arrow is overlaid on the page. In the center, there's a close-up photograph of Rodin products (hand cream and body oil) surrounded by lavender flowers. To the right of this image is a callout for a lavender skincare formula. Further down, there's a section titled "Shop Our Favorites" with three smaller product images: a bottle of oil, a bottle of fragrance, and a tube of lipstick.
